Please note On signing the customer acknowledges the attached Supplementary Terms and Conditions of Use

## Supplementary Terms and Conditions of Use – Wealleans Allied Petroleum Card

This agreement is in addition to and is to be read in conjunction with the standard Wealleans Allied Petroleum Limited Terms and Conditions.

### Definitions:

You and Your refers to the Account Holder

We, Us and Our refers to Wealleans Allied Petroleum Limited (WAP)

In the Terms and Conditions unless the context requires otherwise: Account means the Wealleans Allied Petroleum Limited account which is used to purchase goods/services supplied by Wealleans Allied Petroleum Limited or associated businesses.

Account Holder means the person or company who applied for and was granted the Wealleans Allied Petroleum Account.

Application means the credit application form completed when applying for credit from Wealleans Allied Petroleum Limited.

Card means Wealleans Allied Petroleum card.

Cardholder means the person(s) named in the application to be issued a Wealleans Allied Petroleum card or any person authorised by the Account Holder to use a Wealleans Allied Petroleum card.

Products are goods or services purchased on the Wealleans Allied Petroleum card.

The Account Holder by signing the card application acknowledges that they have received a copy of and will also be bound by these Terms and Conditions. You further agree that any person you authorise to be a Cardholder will be supplied with a copy of these Terms and Conditions and by using or signing the Card the Cardholder will be bound by them.

Wealleans Allied Petroleum cards will only be issued to persons authorised by the Account Holder and the Account Holder will be liable for all obligations of any Cardholder pursuant to purchases on the card. You acknowledge that the Cardholder is acting as your agent in using the Card.

The Card cannot be used to obtain cash, purchase gift or fuel vouchers, stamps, phone vouchers or phone cards. The Cardholder will only use the card to make purchases as identified on the card. Options include "Fuel and Oil Only" or "All Purchases".

### Suspension or Cancellation:

We may suspend or cancel a Card or Account at any time without notice. You may suspend or cancel your WAP card or Account at any time by forwarding notice in writing to Wealleans Allied Petroleum's Head Office. This will be acknowledged in writing.

You are liable for any purchases on the WAP card until it is returned or notice in writing that it has been destroyed is received by WAP Limited. If you lose your card or believe it has been stolen you MUST notify WAP in writing IMMEDIATELY and call us on 0800 661 761.

You indemnify WAP Limited from any costs, claim or expenses or losses whatsoever arising from the loss, theft or fraudulent use of the Card prior to notification being received by us to suspend or cancel your card.

If your WAP Card or Account is suspended or cancelled you must:

- Pay the outstanding balance immediately
- Promptly cut your card(s) in half and return them to WAP Limited.

### Card and PIN security:

All WAP Cards remain the property of WAP Limited.

Cardholders must sign the Card as soon as they receive it to prevent unauthorised use. The Cardholder must keep the card in a safe place at all times. In particular it should not be left in an unlocked vehicle or left on the dashboard – heat and sun may cause damage to the Card.

For security the Card uses a compulsory PIN. At outlets the PIN must be used and there is no option to sign for goods/services. In the rare occurrence of the Paymark system being offline you may be asked to sign for goods. This option is only available if the Paymark system is offline and is not at the discretion of the merchant. Use of the PIN is compulsory if the Paymark system is online. Neither Wealleans Allied Petroleum Limited or Paymark Limited are able to access your PIN.

The Cardholders must not disclose the PIN to unauthorised persons or write the PIN on the Card. If you need to provide the PIN to more than one driver you are responsible for ensuring the PIN is kept confidential and secure. If a transaction is authorised via a valid PIN you are liable for any purchases made until written notice is received by WAP to cancel the card.

If the Cardholder forgets their PIN we are able to reset it. To reset the PIN the Account Holder needs to notify WAP in writing. PINS are reset overnight. If more than three incorrect attempts to enter your PIN are made, the card is placed on hold and no purchases can be made either manually or electronically. You will need to contact us to reactivate the Card.

### Transaction Limits:

Transaction maximums are set and each individual transaction cannot exceed the transaction maximum set for your card. More than one transaction can be made each day but the combined amount cannot exceed the daily limit set for your card. These limits are set at WAP's discretion and you may obtain them by contacting us on 0800 661 761. Monthly credit limits may also be set.

### Fees and agreements to purchase:

WAP may charge a transaction fee and/or an annual fee as notified to you from time to time. If the Card is lost or stolen a replacement fee will be charged.

When purchasing Products the Cardholder is responsible for checking the details of the transaction – in particular the transaction amount. By entering your PIN or signing a sales voucher the Cardholder is authorising the transaction that will be charged to the Account. You agree that the entering of a valid PIN may be relied upon by WAP as valid approval for the amount to be charged to the Account.

### Refunds and Disputes:

The purchase of Products on the Card is between the Cardholder and the participating retailer. Any disputes relating to transactions approved by PIN or valid signature are between the Cardholder and the participating retailer. The Cardholder acknowledges that WAP Limited has no liability beyond that required in law, in respect to purchases made on the card other than at WAP directly owned outlets (where WAP is the participating retailer).

If the Cardholder purchases defective Products through an unattended outdoor payment terminal (e.g. Truck stop), the Cardholder must give WAP written notice of such purchases within 48 hours of the purchase. WAP will investigate and if the dispute is found valid may at its discretion either replace or credit the purchase.
