

# GOOD AGRICULTURAL PRACTICE COMPLIANCE ASSESSMENT VERIFICATION

**Contractor Name:** Wealleans Bay of Plenty Limited

**Contractor Number:** PMO140-C00209

This is to confirm that on the 29/05/2023, Wealleans Bay of Plenty Limited was inspected and found to have met the requirements set out in the Zespri Contractor GAP and GAP Risk Assessment on Social Practice (GRASP) Program V4-1.

This Full CAV is valid until the below Expiry Date, but may be revoked at any time as a result of any non-compliances identified.

**Scope:** GAP  
GRASP

**Activities:** Nutrient Management

**Inspection Date:** 29/05/2023

**Inspected By:** Helen Routley – CME Consulting

**Issue Date:** 14/06/2023

**Expiry Date:** 07/06/2024 - FULL

A CAV is evidence of compliance with the GAP and/or GRASP requirements as stated in the scope above, on the day of assessment.

Conditions of this CAV:

- The CAV applies only to the company named on this CAV certificate.
- The CAV cannot be transferred to a third party without Zespri's consent (any change of ownership or control of a CAV holder will be deemed a transfer to a third party).
- You must immediately notify Zespri in writing if there is any change to the information or details provided in the inspection, including to persons, scope, activity or business address.
- It is the responsibility of the CAV holder to ensure ongoing compliance and to ensure that they are meeting all regulatory responsibilities
- The CAV holder must be available for additional inspections, as requested by Zespri or your Zespri-approved inspector, and co-operate in the inspection process - including allowing your employees to speak with the inspector.
